CHUCK TRAINOR SELECTED FOR INCLUSION IN THE  
2009 "BEST LAWYERS IN AMERICA®"

---

**SACRAMENTO, Calif., March 2, 2009** – Sacramento based law firm Trainor Fairbrook is pleased to announce that Senior Partner, Chuck Trainor, was selected again this year by his peers for inclusion in *The Best Lawyers in America*® 2009 in the field of real estate law. (Copyright 2008 by Woodward/White, Inc., of Aiken, S.C.).

Trainor is the senior partner of Trainor Fairbrook, the AV rated law firm that he founded in 1978. His practice focuses on sophisticated real estate transactions, financing agreements, mortgage originations, and development of master-planned communities and golf courses. His clientele includes developers, landowners, title companies, lending institutions, shopping center owners, property management entities and construction companies.

Trainor has been honored by many industry associations and community organizations during his 30 year career. He was the first attorney in Sacramento to be recognized by both the American College of Real Estate Lawyers, which is an invitation-only organization of the top real estate attorneys in the nation, and by the American College of Mortgage Attorneys, which is an invitation-only organization of the most highly regarded real estate mortgage attorneys in the nation.

He has been recognized for his philanthropic involvement with the FAME Award by the Commercial Real Estate Women Sacramento; Distinguished Alumni of the Year by California State University Sacramento; attorney of the year at the annual Doctor-Lawyer Dinner for his and the firm's community involvement; 2003 Man of the Year at NAIOP's annual charity roast, and, in 2006, received the Father of the Year Award from the Center for Fathers and Families.

Since its inception in 1983, *Best Lawyers* has become universally regarded as the definitive guide to legal excellence. Because *Best Lawyers* is based on an exhaustive peer-review survey in which more than 32,000 leading attorneys cast almost two million votes on the legal abilities of other lawyers in their specialties, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in *Best Lawyers* is considered a singular honor. *Corporate Counsel* magazine has called *Best Lawyers* "the most respected referral list of attorneys in practice."

Trainor Fairbrook limits its practice to matters relating to commercial real estate law, business law and related litigation. For more information, please visit [www.trainorfairbrook.com](http://www.trainorfairbrook.com).
